One Love

👁 8 ✓ 5 ★ 7

Chapter 1 by Anna Elizabeth Thordarson

From day one you had been my best friend, then in the blink of an eye. Some "shut eye" to be exact, I woke up and found out you were gone.

Chapter 2 by intellikat

Farewell, my love.

Farewell... my penis.

Chapter 3 by intellikat

I didn't actually expect the magic spell to work. But apparently it did.

It was a joke, really... all of us guys up in the attic, drinking Dad's beer and sitting in a circle. My parents were away and my older brother David was supposedly watching us, but he was actually out in the backyard doing God-knows-what with Dana Critch, who may or may have not been his girlfriend.

Anyway, we were all up there, and Andy Puntz had this big leather-bound volume he said he had found in his cellar, and well... we got to flipping through it and discovered it was an old Jewish spellbook of some sort. First we decided we were going to create a golem with that spell, but then we found a different spell near the back called the schwanz-zerstörer, and after a bit of paper-scissors-rock it fell to me to be the hapless victim. I lowered my shorts to reveal my

schwanz, and we chanted the spell, drinking beer and giggling. Nothing happened, of course, and that was that.

Chapter 4 by Critz

I wonder how Andy and Harvey are doing after last night. Did they recite the spell too? My head is spinning, I definitely know that I won't be having more of that Yankeedoodlebrau, I don't remember a damn thing. Besides my missing penis, of course.

I don't even think the weight of the situation has hit me yet. My love. My life. My ol' reliable. Gone, just like that. Do..do I get a strap-on now... or what do I do here? Stop it, think realistically. I'll have to find a way to cure the spell, I just need to get a hold of that Jewish Spellbook. If movies have taught me one thing, it's that there is always a spell to reverse it!
